Sometimes things just happen. Your kid develops flu symptoms after your primary care office has closed for the day. You step on a tack over the weekend. We get it, things happen, and when they do, you want to be able to access care at a price you can afford. That's why we're offering a new perk to eligible Aetna members: access to all covered MinuteClinic services at **no cost to you.**\*

MinuteClinic is a walk-in clinic inside select CVS Pharmacy® and Target stores and is the largest provider of retail health care in the United States, making it easy to access care in your neighborhood.

MinuteClinic offers a broad range of services to keep you and your family healthy. MinuteClinic health care providers treat and diagnose a variety of illnesses, injuries and conditions. They can also write prescriptions, when medically appropriate.

Open 7 days a week, including evenings and weekends. You can walk in or schedule appointments online beforehand. And for even more convenience, you can pick up your prescription on-site.

It's as simple as going to your local MinuteClinic and receiving care. Your covered family members can take advantage of this benefit, too.
