

Dual Language Program for both English and Spanish speakers

South San Antonio ISD is now offering a Dual Language Program for speakers of English and Spanish to become bilingual at every campus. Enrollment for the 2023-2024 is now open for all children that are four-year-old before September 1, 2023. There are also dual language classrooms in the Headstart program.

You can apply online through the district website at www.southsanisd.net or you can call one of our ten elementary campuses listed below. There is a checkbox and a link for the Dual Language Program.
